Bending / curving:            on request only and must accompanied with a clear template and/or drawing.

Note : U-shaped tracks with bends of 90 degrees are possible, when the minimum distance from wall to the front of the track is 30 cm (radius + Motor Pulley)

Requests:

Production time: after date of receipt of order, maximum 10 working days. If quantity > 20 pieces, in consultation.

Please send the fully completed form to Forest Group. The customer is responsible for providing complete and accurate information on the order form in order to guarantee delivery of the desired curtain rail system. For advice, please contact us, tel : +31 570 - 622 850.

Our most recent order forms are online. Scan or click on the QR code and check for the most recent order form.

*Forest suggestion: we recommend making the fabric 20 cm wider than the track length, in order to cover the motor properly.*
